What We Do

CEO Organisation translates its mission into practical activities that allow members to learn, serve and create meaningful impact.

Youth Mentorship

We organise activities that encourage young people, build confidence, develop positive values and help them recognise their potential.

Community Outreach

We participate in activities that respond to identified community needs and promote social responsibility.

Children's Welfare

We organise visits and support activities for children's homes and vulnerable groups, providing encouragement, care and essential support where possible.

Charity Activities

We mobilise members and resources to support individuals and communities experiencing challenges.

Mental Health Awareness

We promote conversations and awareness around mental wellbeing and appropriate support.

Leadership Development

Members are given opportunities to take responsibility, communicate and coordinate activities.

Networking

We create opportunities for members to interact, build relationships and learn from one another.

Educational & Personal Development

We encourage learning through discussions, mentorship sessions and skills-building activities.

Learning & community engagement

Community Outreach in Action
